The Malta Financial Services Authority (“MFSA” or “the Authority”) has become aware of an entity operating under the name of **Livia Options** or **LvO Ltd** which has an internet presence at <https://liviaoptions.com/>. Livia Options is promoting the service of forex trading and claims to hold a Category 3 Investment Services Licence.

The MFSA wishes to alert the public, in Malta and abroad, that **Livia Options** or **LvO Ltd** is **NOT** a Maltese registered Company **NOR** licenced or otherwise authorised by the MFSA to provide any forex trading services or other financial services which are required to be licensed or otherwise authorised under Maltese law. Furthermore, information available to the MFSA suggests that **Livia Options** or **LvO Ltd** is likely to be a scheme of dubious nature with a high risk of loss of money. The public should therefore refrain from undertaking any business or transactions with the above-mentioned entity.

The MFSA would like to remind consumers of financial services not to enter into any financial services transaction unless they have ascertained that the entity with whom the transaction is being made is authorised to provide such services by the MFSA or another reputable financial services regulator. Investors should also be extra cautious when being approached with offers of financial services via unconventional channels such as telephone calls or social media.

A list of entities licensed by the MFSA can be viewed on the official website of the MFSA at <https://www.mfsa.mt/financial-services-register/>.

If you are a victim of a scam or think you might be dealing with an unauthorised entity or any other type of financial scam, first of all stop all transactions with the company and contact the MFSA at <https://www.mfsa.mt/about-us/contact/> as soon as a suspicion arises.
