Consent Solicitation

The Consent Solicitation is being made, and the Consent Solicitation Memorandum and any other documents or materials relating to the Consent Solicitation are only for distribution or to be made available, to Noteholders.

Noteholders may obtain, from the date of this Notice of Meeting, a copy of the Consent Solicitation Memorandum from the Tabulation and Information Agent, the contact details for which are set out below. In order to receive a copy of the Consent Solicitation Memorandum, a Noteholder will be required to provide confirmation as to his or her status as a Noteholder.

All Noteholders, whether they wish to vote or abstain at the Meeting either themselves or through an appointed proxy, being the Tabulation and Information Agent or otherwise, must submit a Block Voting Instruction (as defined below) to the Tabulation and Information Agent (contact details set out below) no later than 4:00 p.m. (London time) on 1 June 2022 (the "**Expiration Time**") but not thereafter (except in the limited circumstances outlined below).

Pursuant to the Consent Solicitation, the Issuer is offering Noteholders who vote in favour of the Proposal, appointing the Tabulation and Information Agent as proxy, pursuant to a valid Block Voting Instruction (as defined below) that is received by the Tabulation and Information Agent at or before the early voting deadline specified in the Consent Solicitation Memorandum (being 4:00 p.m. (London time) on 16 May 2022 (the "**Early Voting Deadline**")) but not thereafter, an early instruction fee in the amount of 0.10 per cent. of the outstanding principal amount of Notes that are the subject of a relevant Block Voting Instruction (the "**Early Instruction Fee**"), as further described in the Consent Solicitation Memorandum, subject to the Closing Conditions and payable on the Early Instruction Fee payment date, currently expected to be on 9 June 2022 and, in case of an adjourned Meeting, on 26 June 2022 (the "**Early Instruction Fee Payment Date**").

If the Issuer elects to amend the Proposal, it may also amend the Early Voting Deadline to a later date falling not after the Expiration Time, to be disclosed pursuant to Condition 20 (*Notices*) of the 2027 Notes Terms and Conditions.

The Tabulation and Information Agent’s electronic infrastructure complies with European Data Protection legislation and is ISO certified on Information Security Management System.

All Noteholders who wish to attend the Meeting, whether they wish to vote or abstain from voting at the Meeting, either themselves or through an appointed proxy, being the Tabulation and Information Agent or otherwise, must submit a Block Voting Instruction to the Tabulation and Information Agent (as the recipient designated by the Notes Common Representative to receive and tabulate any Block Voting Instructions in respect of this Meeting; contact details set out below) no later than the Expiration Time (or thereafter, exclusively in the limited circumstances outlined below). Each Beneficial Owner should arrange for the accountholders through which they hold their interest in the Notes to deliver or have delivered a Block Voting Instruction on their behalf to the Tabulation and Information Agent. Each Noteholder acknowledges that the submission of a Block Voting Instruction where the Tabulation and Information Agent is appointed as proxy constitutes its instruction to the Tabulation and Information Agent to appoint one or more representatives (as it shall determine) as proxies to attend and vote at the Meeting within the manner specified in the relevant Block Voting Instruction.

Block Voting Instructions are to be completed and submitted via an online form which is available via the consent website: <https://deals.is.kroll.com/bcr> (the “**Consent Website**”). If the appointed proxy is the Tabulation and Information Agent and the Proxy Letter does not specify if the Tabulation and Information Agent, acting through any of its representatives, should vote for or against the Proposal or abstain from

voting, the Tabulation and Information Agent will vote in favour of the Proposal. A form of the Block Voting Instruction may be obtained by the Noteholders from the Tabulation and Information Agent at its website <https://deals.is.kroll.com/bcr>. Where the relevant Noteholder itself wishes to attend and vote at the Meeting or to do so through a proxy other than the Tabulation and Information Agent, such letter shall include an e-mail address to which the link to participate in the Meeting shall be sent under the terms described in section “Virtual Meeting (i.e. through telematic means)” below.

Block Voting Instructions must be submitted in respect of holdings of Notes in a minimum principal of no less than EUR 100,000 and in integral multiples of EUR 100,000 in excess thereof.

“**Certificate**” means a certificate issued by an Affiliate Member of Interbolsa, in accordance with article 78 of the Portuguese Securities Code, certifying that a particular person is shown in its book-entry registry as the holder (i.e. legal owner) of the Notes.

“**Confirmation Letter**” means a letter in the form made available for the Notes by the Tabulation and Information Agent at its website <https://deals.is.kroll.com/bcr>.

Noteholders are reminded that if the appointed proxy is the Tabulation and Information Agent and

Attendance

The relevant provisions governing the convening and holding of the Meeting, in addition to the regime established in Article 355 of the Portuguese Companies Code, are set out in Schedule 1 (*Provisions for Meetings of Noteholders*) to the Notes Common Representative Appointment Agreement and the 2027 Notes Terms and Conditions as set out in Schedule 2 (*Terms and Conditions of the Notes*) to the Notes Common Representative Appointment Agreement, a copy of which is available for inspection as referred to above.

Noteholders may only participate in the Meeting (even if they wish to vote personally at the Meeting) by way of Block Voting Instructions to be submitted by the required deadlines. For such purpose, the Tabulation and Information Agent has been designated to collect all Block Voting

Instructions, which it will tabulate and provide to the Notes Common Representative. Only the persons specified in the Block Voting Instructions, i.e. either the Noteholders themselves or the persons appointed thereby for such purpose (including a Noteholder or Beneficial Owner, or the Tabulation and Information Agent, if so appointed) will be entitled to attend and vote at the Meeting.

Noteholders who have duly delivered Block Voting Instructions and appointed the Tabulation and Information Agent (acting through one or more of its representatives) as proxy need to take no further action in relation to voting at the Meeting in respect of the Extraordinary Resolution. By submitting or delivering such a duly completed Block Voting Instruction to the Tabulation and Information Agent, such Noteholders irrevocably instruct the Tabulation and Information Agent to appoint one or more representatives nominated as its proxies to vote within the manner specified in the relevant Block Voting Instruction.

Noteholders who have duly delivered Block Voting Instructions and not appointed the Tabulation and Information Agent (acting through one or more of its representatives) to vote in favour or against the Extraordinary Resolution, will need to have appointed in such Block Voting Instructions either themselves or another person (including a Noteholder or Beneficial Owner, if so appointed) to attend and vote at the Meeting on their behalf and will be exclusively responsible to cause such person to attend and vote at the Meeting, under the terms foreseen herein.

Block Voting Instructions have to be delivered by the Noteholders to the Tabulation and Information Agent on or before the Expiration Time, by completing and submitting via an online form which is available via the Consent Website: <https://deals.is.kroll.com/bcr>. If a Noteholder is not able to use the Consent Website, such Noteholder should contact the Tabulation and Information Agent for alternative ways to participate in the Meeting.

Block Voting Instructions may not be revoked by the relevant Noteholder following delivery to the Tabulation and Information Agent, except in the event that the Issuer elects to amend the Consent Solicitation and/or the Proposal in accordance with the Consent Solicitation Memorandum, in which case the relevant Noteholder may, prior to the Expiration Time but not thereafter (subject to the earlier deadlines required by the Affiliate Member of Interbolsa, Clearing System, their participants and/or any other intermediary through which Noteholders hold their Notes), submit a Revocation Letter stating that the Noteholder intends to revoke the previously submitted Block Voting Instruction.

“Revocation Letter” means a letter in the form made available for the Notes by the Tabulation and Information Agent at its website <https://deals.is.kroll.com/bcr>.

If the Meeting is adjourned, Block Voting Instructions may thereafter be amended or revoked on or

before the Adjournment Deadline (as defined below).

Any Noteholder, itself or through an appointed proxy on its behalf other than the Tabulation and Information Agent (pursuant to the foregoing), attending a Meeting to vote will need to evidence to the Notes Common Representative's satisfaction his/her identity, by providing a copy of its passport, identity or citizen card or other identification card deemed appropriate by the Notes Common Representative, prior to attending the Meeting, as requested by the Notes Common Representative.

Noteholders must have made all necessary arrangements to participate in and/or vote at the Meeting with the relevant Affiliate Member of Interbolsa, Clearing System or otherwise relevant Intermediary sufficiently in advance for compliance with the timings and procedures set out in this Notice of Meeting before the scheduled times and within the relevant time limit specified by the relevant Affiliate Member of Interbolsa, Clearing System or otherwise relevant Intermediary. The timings and procedures set out in this Notice of Meeting are based on the requirements for Noteholders' meetings pursuant to Portuguese law, the 2027 Notes Terms and Conditions and the Notes Common Representative Appointment Agreement, but the Affiliate Members of Interbolsa, Clearing Systems and any relevant Intermediaries may have their own additional requirements as to timings and procedures, namely for issuing Certificates, submitting Block Voting Instructions or, in general, participating in and/or voting at the Extraordinary Resolution. Such timings and procedures shall be considered on top of the timings and procedures set out in this Notice of Meeting. Accordingly, Noteholders wishing to participate in the Meeting and/or vote in respect of the Extraordinary Resolution are strongly urged to contact the relevant Affiliate Member of Interbolsa, Clearing System, Direct Participant or other Intermediary directly, as soon as possible.

Quorum and Majority

The Extraordinary Resolution may only be considered at the Meeting if the Meeting is quorate. The Meeting will be quorate if one or more Noteholders or agents who hold or represent the requisite principal amount of outstanding Notes for the quorum requirement are present (as set out below across from “**Original Meeting**”).

If the Meeting is not quorate within 15 minutes after the time fixed therefor, it will be adjourned to the Adjourned Date. The quorum for the adjourned Meeting is lower than the one required for the Original Meeting, as set out below.

Valid Block Voting Instructions delivered and not revoked (under the limited circumstances outlined above) prior to the Meeting shall remain valid for any adjourned Meeting. If the Meeting is adjourned, Noteholders who have not already submitted Block Voting Instructions on or prior to the Expiration Time may submit Block Voting Instructions during the period commencing at the conclusion of the Original Meeting and ending on 10:00 a.m. (London time) on 14 June 2022 (the “**Adjournment Deadline**”).

The quorum requirements at the Meeting are as follows:

Meeting	Quorum Requirement
Original Meeting	A person or persons holding or representing at least 50 per cent. of the principal amount outstanding of the Notes then outstanding (except Notes held by the Issuer, if any).
Adjourned Meeting	Any person or persons holding or representing any of the Notes then outstanding (except Notes held by the Issuer, if any), regardless of the principal amount outstanding thereof.

Each holding of Notes in the amount of EUR 1 corresponds to one vote.

In order for the Meeting to approve the Extraordinary Resolution, the favourable vote of at least 50 per cent. of the principal amount outstanding of the Notes then outstanding is required.

In the event that the Meeting is not quorate and is adjourned, the approval of the Extraordinary Resolution at the adjourned Meeting will require the favourable vote of at least two-thirds of the votes cast.

Voting will be carried out in the terms indicated by the chairman of the Meeting.

If passed and implemented, the Extraordinary Resolution will be binding upon all Noteholders, whether or not they have voted in relation to such Extraordinary Resolution, including those Noteholders who do not consent to such Extraordinary Resolution. For the avoidance of doubt, the actual implementation of the Extraordinary Resolution is subject to the Closing Conditions.

This Notice of Meeting is governed by, and shall be construed in accordance with, Portuguese law.
