**Announcement – Lisbon, 1 June 2022**

**Material information**

CTT – Correios de Portugal, S.A. (“CTT” or “Company”) hereby informs that on this date Banco CTT S.A. (“Banco CTT”) has successfully closed the credit securitization operation named Ulisses Finance no. 3, carried out through its subsidiary 321 Crédito – Instituição Financeira de Crédito, S.A., as announced to the market on 17 May.

Aimed at funding the growth of Banco CTT’s activity while optimizing its capital base and diversifying its liquidity sources, the securitization of 200 million euros of auto loans allows for the reduction of risk-weighted assets and had an average spread across collateralized tranches of 1.62% over Euribor 1 month. The senior class was rated at AA (DBRS) and Aa2 (Moody’s). Notwithstanding a volatile market environment, the securitization was entirely placed with institutional investors.

This issuance highlights the ability of CTT and Banco CTT, even in a more volatile market environment, to explore balance sheet opportunities to support its business growth.

This information to the market and the general public is made under the terms and for the purposes of article 29-Q of the Portuguese Securities Code and other legislation in force in Portugal. It is also available on CTT website at:
