## ANNOUNCEMENT

Banco Santander Totta, S.A. ("Bank"), and its shareholder Santander Totta, SGPS, SA ("SGPS"), inform that they have been notified by Banco de Portugal, as the national resolution authority, about the decision of the Single Resolution Board ("SRB") on the determination of the MREL – minimum requirement on own funds and eligible liabilities, applicable to the resolution group headed by the SGPS, in terms of the total risk exposure amount ("TREA") and of the leverage ratio exposure ("LRE"), in the following terms:

1. MREL requirements to be met by Santander Totta, SGPS, SA, on a consolidated basis, by 1 January 2022 and 1 January 2024:

<b>Santander Totta, SGPS, SA</b>					
<b>Requirements in terms of "TREA"<sup>1</sup></b>			<b>Requirements in terms of "LRE"</b>		
	<b>2022</b>	<b>2024</b>	<b>2022</b>	<b>2024</b>	
MREL Total	17.43%	20.77%	MREL Total	6.88%	7.49%
MREL Subordinated	17.05%	20.77%	MREL Subordinated	6.88%	7.49%

<sup>1</sup> Adds the combined buffer requirement ("CBR"), of 3% of TREA

2. MREL requirements to be met by Banco Santander Totta, SA, on an individual basis, by 1 January 2022 and 1 January 2024:

<b>Banco Santander Totta, SA</b>					
<b>Requirements in terms of "TREA"<sup>1</sup></b>			<b>Requirements in terms of "LRE"</b>		
	<b>2022</b>	<b>2024</b>	<b>2022</b>	<b>2024</b>	
MREL Total	15.29%	17.55%	MREL Total	5.54%	5.91%

<sup>1</sup> Adds the combined buffer requirement ("CBR"), of 2.5% of TREA

Considering the information available to date, both the Bank and the SGPS comply with the interim targets in place for 1 January 2022, in terms of "TREA" (including the "CBR") and of "LRE", which have now been communicated, and the requirements defined for 2024 are consistent with the ongoing funding plan.
