Under the terms of and for the purposes of Article 420, no. 2, b) of the Portuguese Companies Act, we propose that Ernst & Young Audit & Associados – SROC, SA., represented by Rui Manuel da Cunha Vieira, be nominated as the Statutory Auditor for Altri, SGPS, S.A., for the year mandate of 2020.

When preparing the present proposal, the advantages and disadvantages of keeping the same audit firm for the new mandate were taken into account.

In our opinion, the quality of Ernest & Young's work and the experience it has accumulated in the sector in which Altri, S.G.P.S., S.A. is active outweigh the possible downsides of maintaining the same company for the said function.

The information required by sub-paragraph d) of paragraph 1 of article 289 of Portuguese Companies Act is hereto attached.

SHAREHOLDERS' ANNUAL GENERAL MEETING OF ALTRI, SGPS, S.A.

TO BE HELD IN ITS HEAD OFFICE ON 30TH OF APRIL 2020

AT 15:45 HOURS

PROPOSAL
OF THE REMUNERATION COMMITTEE
CONCERNING
POINT SEVEN ON THE AGENDA

(translation of a document originally issued in Portuguese)

THE REMUNERATION POLICY OF THE GOVERNING BODIES

The Remuneration Committee of ALTRI, SGPS, S.A., ("ALTRI") proposes to the Shareholders' General Meeting the approval of the present Statement on Remuneration and Compensation Policy to be applied to the Company's statutory governing bodies, as set out below.

1. LEGAL FRAMEWORK

This policy was prepared under the terms and for the purpose of Article 2 of the Law no. 28/2009, of June 19, of CMVM Regulation no. 4/2013 and of the recommendations of the Corporate Governance Code of the Portuguese Institute of Corporate Governance, hereinafter referred to as the IPCG code.

2. PRINCIPLES OF ALTRI'S CORPORATE BODIES POLICY

ALTRI's Corporate Bodies Remuneration Policy is based on the assumption that competence, dedication, availability and performance are the determining elements of good performance, and that only with good performance is it possible to ensure the necessary alignment with the company's interests and its shareholders.

In view of the Company's interest, culture and long-term strategy, ALTRI's Corporate Bodies Remuneration Policy aims to:

- Attract and retain the best professionals for the functions to be performed, providing the necessary conditions of stability in the exercise of functions;
- Reward performance, by means of remuneration appropriate to the mechanisms for defending the interests of Shareholders, discouraging excessive risk-taking, by providing for mechanisms for deferring variable remuneration;
- Reward the focus on continuous improvement, productivity and the creation of long-term value for shareholders;
- Reward environmental sustainability and energy efficiency of relevant activities of the Society.

This Policy is based on criteria aimed at the sustainability of the Company, is aligned with comparable benchmarking and, complying with legal requirements, is based on the following vectors:

REMUNERATION COMMITTEE OF ALTRI, SGPS, S.A.

Nature of the functions performed

The functions performed and the responsibilities assumed by each member are, necessarily, taken into account in the definition of remuneration. Not all members are in the same position, which imposes a carefully case-by-case definition. In assessing the level of responsibility, the time of dedication, the requirement imposed by the areas under their supervision and the functions performed in the subsidiaries must be considered.

The Company's economic situation

The definition of remuneration must be compatible with the size and economic capacity of the Company, while ensuring adequate and fair remuneration.

Market standards

The observance of market rules is essential to adequately reward, under market conditions, the activity developed and the results obtained.

Thereby,

3. BOARD OF DIRECTORS:

The total fixed remuneration of the Board of Directors, including the remuneration that group companies pay to its members, shall not exceed 3,500,000 Euro per year.

3.1. Non-Executive Directors

The remuneration of the non-executive members of the Board of Directors corresponds to a fixed monthly fee, the amount of which is determined by the Remuneration Committee, having an exclusively fixed nature.

In line with market practices, the remuneration of the non-executive members of the Board of Directors can be differentiated by the special representation functions of the Company that each may be affected. Non-executive directors, due to the experience acquired over the years in executive functions and the deep knowledge and know-how of the Company's businesses that are recognized for them, may also receive a differentiated remuneration as a result of assuming functions that come to take place on business monitoring commissions, which may exist within the Board of Directors.

3.2. Executive Directors

The remuneration of ALTRI's Executive Directors includes two components:

- Fixed component, amount paid monthly.
- Variable component, which includes a short-term variable premium (paid annually), and a medium-term variable premium (paid after a 3-year deferral).

The standard for setting the variable remuneration (short-term and medium-term) aim to reward executive directors for the fulfillment of predetermined objectives, whether related to the Company, or related to the individual performance of the director and also related to the work teams you who are under the responsibility of each one.

REMUNERATION COMMITTEE OF ALTRI, SGPS, S.A.

The short-term variable premium cannot exceed the fixed annual remuneration and is paid in the first half of the year following the year to which it relates, after the clearance of the accounts for the year corresponding to the year.

The long-term variable premium cannot be greater than the sum of annual remuneration plus short-term variable premium, and is intended to more sharply align the interests of executive directors with those of shareholders, in order to raise awareness of the importance of the respective performance for the overall success of the Company and will be calculated covering the period corresponding to a mandate, based on:

- the total return for the shareholder (appreciation of the share plus distributed dividends);
- the sum of the net consolidated results of the 3 years (2020-2022);
- the evolution of the Group's business.

SUPERVISORY BOARD

The remuneration of the members of the Supervisory Board shall be based on fixed annual amounts considered appropriate for the function.

GENERAL SHAREHOLDERS' MEETING

The remuneration of the members of the Board of the Shareholders' General Meeting shall be exclusively fixed and shall respect market practices.

STATUTORY AUDITOR

The Statutory Auditor shall receive a fixed remuneration that is appropriate for the function benchmarked against the market, under the supervision of the Supervisory Board.

NUMBER OF ACTIONS AND OPTIONS GRANTED

No form of remuneration in which shares or options are allocated, or any other system of incentives in shares or options, is not in force or provided for.

SEVERANCE GRANT IN THE EVENT OF A TERMINATION OF DUTIES PRIOR TO OR UPON THE EXPIRY OF THE RESPECTIVE MANDATES

The remuneration policy maintains the principle according to which severance grants for Directors or members of other governing bodies in the event of an early termination of their duties or upon the expiry of their respective mandates are not contemplated, without prejudice to the Company's compliance with the legal provisions in force concerning such matters.

There are no mechanisms in the Company that provide for the possibility of requesting reimbursement, to the administrators with variable remuneration.

No compensation was paid in 2019 to former members of the Board of Directors, or members of other governing bodies, for termination of their duties.

SCOPE OF THE PRINCIPLES

REMUNERATION COMMITTEE OF ALTRI, SGPS, S.A.

The principles underlying the remuneration and allowance policies referred to in the present declaration do not only cover the total remuneration paid out by ALTRI, SGPS, S.A., but also include the remuneration paid to the members of its Board of Directors by other companies that ALTRI, SGPS, S.A. controls, whether directly or indirectly.

During 2019, no director or member of other corporate bodies received compensation from companies directly or indirectly controlled by ALTRI, SGPS, S.A..
