MOTA-ENGIL INFORMS ABOUT THE AWARD OF A NEW CONTRACT IN GHANA, AMOUNTING TO 570 MILLION DOLARS

MOTA-ENGIL S.G.P.S., S.A. (“MOTA-ENGIL”), informs about the award of a new contract to its subsidiary MOTA-ENGIL ENGENHARIA & CONSTRUÇÃO ÁFRICA, S.A., in Ghana, in the total amount of 570 million dollars.

The works now awarded correspond to the Design and build (rehabilitation and expansion) of the Accra-Tema Motorway and Extensions, in a total of 27.7 km, and will take place over a period of 48 months.

This award once again strengthens the GROUP's backlog in Africa, namely in the western region of the continent, through a project of relevant dimension and with a long-term period, ensuring the stability of the region's contribution to MOTA-ENGIL's turnover.
